SILHOUETTE FIGURE

Design: Anna Kraitz • Hand tufted rug in pure wool, shaped in its design.

KATEHA^o

SILHOUETTE FIGURE "My rugs for Kateha are translated from simple watercolour sketches. Working with Silhouette is just the beginning of a long and exciting journey. I have worked with textiles and fabrics in different contexts, but never as concrete as in these rugs. Rugs are sensuous. They affect the mood of a room. They affect sound, light an colour. We walk on them, sometimes with bare feet."
In the Silhouette family you can also find the handwoven Silhouette flossa.
