KATEHA[®]

ALLIUM is one of our most appreciated rugs. The collection includes both plain, striped (Allium Two Step) and checkered (Allium Fox Trott) rugs, in colours ranging from classic to contemporary. The patterned rugs are based on the plain Allium standard colours, which means that you can place a custom order with your own particular colour combination. The Allium rugs are flatwoven in the finest New Zealand wool on linen warp. Traditionally, wool rugs are woven on linen warp. We weave on linen warp so that your rug will be smoother and more stable, thus lasting longer.
