## **FROST**

Design: Roger Persson • Handwoven pile rug in superior wool from sheep on the island of Sardinia

# KATEHA<sup>®</sup>

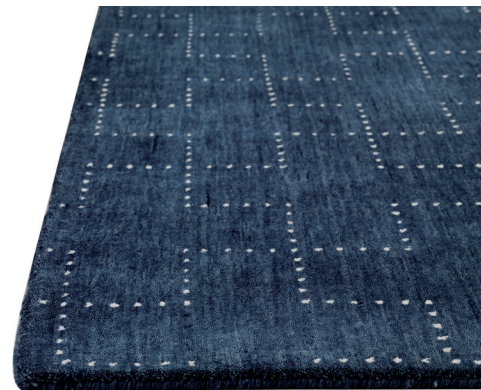

**FROST** - a durable, hand woven rug in “flossa” technique with low and dense pile. It has a frosty look both in its design and the ground colour. The pattern is hand sewn into the rug after weaving. For this particular rug we use high quality Sardinian wool. This rug is suitable for use in public interiors and in private homes.
