HERRINGBONE WEAVE

Design: Katrín Ólína • Handwoven rug in 100% pure wool

KATEHA[®]

HERRINGBONE WEAVE The herringbone pattern is an arrangement of blocks, used since antiquity in floor tilings and road pavements as well as in textiles of all sorts. This handwoven rug in pure wool on a linen warp is both functional and offers a striking character to the room. It is suitable for use in public interiors as well as in private homes.

Other information:

- Size variations for handmade rugs +/-5%.
- We use renewable natural materials. Dye lot and yarn batch variations may occur.
- Traditionally, wool rugs have been woven on linen warp. We have chosen to weave on linen warp for stability and better durability.
- We recommend rug underlay (anti-slip). For reduced wear, improved comfort, non-slip properties and easier vacuuming.
