TOFTA WAVE

DESIGN: Hans Hosak • Handwoven rug in pure new wool.

KATEHA^o

TOFTA WAVE, designed by Hans Hosak, comes as a result of a project to explore our own history. Kateha's experience of textiles and their archives of old patterns go back many decades. With the colours and materials selected, we have created a rug that has universal appeal. We have used fewer colours and chosen to weave the rug on cotton warp.
