WOOLLY

Design: Katrín Ólína • Handwoven rug from handspun wool yarn.

KATEHA[®]

WOOLLY “My new rug for Kateha explores natural, rough wool yarn with traditional weave. By working additional threads into the weave, the design takes on a character of its own, creating a wool landscape for your floor.” Woolly is handwoven from handspun yarn, where the white yarn is undyed and naturally shifting in colour.
